Saugeen Shafts ended the March Break on Sunday with their 11th Annual Kids March Break Tournament. The event was open to kids who are currently taking lessons or have taken lessons at Saugeen Shafts. The tournament has the young archers shooting at their skill level rather than at their age divisions as they do in the regular events.

The Beginner Division was well attended, with Nash Jones placing first in the Compound class over Kelvin Dunford. In the Olympic class, Kyle Stockdale was first followed by Luke Gauthier and Zack Wilkins. The very popular Barebow class had Keegan Moore win by five points over Daulton Bain, with Noah Rogers finishing in third and Myles Longerman in fourth. The Girls Barebow Taylor Stark edged out her sister Vanessa for first place while Kaylyn Moore was third.

The Intermediate Division Compound Limited found Kyle Fleming in first place and Teegan Milne in second. The Olympic Boys, Todd Smith was first while Tessa Milne was first in the Girls division. Kyle Driver was first in the Compound Unlimited class.

Saugeen Shafts will be hosting their last indoor tournament for the season this Sunday, with the Cubs and Cadets at 9:00 a.m. followed by the Juniors and Adults at 11:30 a.m. The outdoor season begins with a Field Shoot on May 6th at the Peterborough Fish and Game Club. For more information on Kids lessons or to have your child give archery a try, come and see our display at the Outdoor and Adventure show April 21st and 22nd.
