FITA Format

Saugeen Shafts will be hosting its second annual Camp Charity Shoot to raise funds to purchase archery equipment for a summer camp which serves children with special needs. This year we will be shooting for the two Easter Seals Camps, that serves kids with physical disabilities. With the assistance of Excalibur Crossbow we will be purchasing crossbows for the campers who do not have the physical skills and strength to shoot conventional archery equipment. Help us raise funds to purchase much needed equipment to make the kids summer experience one to remember. Every dollar raised will go to the purchase of much needed archery supplies.

Cost: Kids Under 16 yrs \$10.00
Adults \$20.00
